R-Fan Club Shipments, Pick-Ups & Modification Details

You will receive R-DEFAULT club order unless you return the order modification form by MARCH 31, 2026

IMPORTANT NOTE: Because the internet and SMS are not always reliable, we always reply and confirm receipt of any communications we receive. If you do not get an email from us confirming that your communication was successfully received, please call or text my personal mobile device at 805-423-3861 with your request (and, again, be sure you get a written confirmation response from me). Thank you in advance for helping to avoid difficulties arising from missed communications.

DEFAULT CLUB ORDERS

To best serve all Rock-Rs: R-Fan Club packages will be processed and charged to credit cards immediately after the custom order deadline.

Due to shipper requirements, UNLESS you notify us otherwise in writing by deadline, these defaults will apply:

- (1) We will pack your wines for Pick-Up or Shipping based on your home address. If you live more than 40 miles away from our winery, your default will be "SHIP TO". Inside this radius your default will be "PICK-UP". **You can change your default for THIS club order to either SHIP or PICK-UP by notifying us before the above deadline.**
- (2) For "Ship To" Rock-Rs, the default shipping method will be GLS/Golden State Overnight standard ground (GSC, where available) or UPS standard ground (outside GSO's shipping area). The standard packing material will be a recycled paper product. **Remember, an adult signature is needed for delivery**, and costs of return shipping will be billed to you, so **please respond promptly to any door tags, calls or emails from the shipping courier.**
- (3) For "Pick-up" Rock-Rs, your wines can be **picked-up by advance appointment only at R-Paso Robles ranch location** through **April 26** by confirming your pick-up date with us **before March 31, 2026**. Due to our very limited storage space, we regret that we cannot pre-pack and hold Rock-R club wines for extended periods.
- (4) On April 27, 2026, all unclaimed pick-ups will be automatically re-packaged and shipped at member expense. We cannot guarantee availability of all wines for any pick-up occurring after that date.

ARE YOU GONNA GO MY WAY?

As a ROCK-R, we cater to you! If you would prefer a different mix of wines, different method of packaging, or different form of delivery, please specify your custom order on the PDF form on the previous page. Be sure to fill-in your name and how many of each wine you want, **then email the front page PDF back by the above deadline**, or you can simply call Dean directly at 805-423-3861 and let him know what you would like to order. Easy!

We sincerely want to follow the wishes of R-Fan Club members, allowing you to customize R-wine club to suit your tastes. **Please help us serve you best by re-confirming your personal data and communicating your PDF requests or modifications as soon as possible**, but not later than the dates specified above.

THANK YOU FOR ROCKIN' R WORLD!
